To our partners and colleagues:

Birchcliff Energy Ltd. has committed to do its part in minimizing the spread of COVID-19 by participating in the request by Alberta Health to follow its guidelines for social distancing.

With the majority of our staff working from home, it makes it difficult to monitor incoming mail. Birchcliff asks that all mailed or couriered items that would normally be sent to the Land group at Birchcliff's office be sent via email. This would include day-to-day mail and time sensitive notices, such as Independent Operations Notices, Abandonment Notices, Non-Productivity Notices, AER related Industry Notices, Mail ballots and other similar time sensitive items.

Birchcliff would appreciate our peers adhering to this request to allow industry operations to continue smoothly during these uncertain times. We feel this approach will allow for responses to be given in a timely fashion, with little to no interruptions.

For all **Mineral Land** and **Joint Venture** correspondence and notices:

mineralland@birchcliffenergy.com

For all **Surface Land** correspondence and notices:

surfaceland@birchcliffenergy.com

We thank you for your understanding and hope that you stay safe and healthy.
