To our Industry Partners

The current Covid-19 Pandemic along with the recent declarations of a State of Emergency by both the City of Calgary and the Province of Alberta has created a great deal of uncertainty for us all. In a business context, please be advised that where possible Canlin's team members are now working remotely versus in our Calgary Head Office's down town location. As such we hereby request that all Land and Joint Venture notices and communications be issued to your usual Canlin Land and/or Joint Venture Representatives as well as to the team's respective email address identified below versus being delivered physically to our Calgary office.

Canlin's Land and Joint Venture team email address:

Mineral and Land Contract notices are to be sent to usual contact plus:

Mineral.land@canlinenergy.com

Surface notices are to be sent to usual contact plus:

Surface.land@canlinenergy.com

Joint Venture notices are to be sent to usual contact plus:

JVOperations@canlinenergy.com

We kindly ask for this accommodation so that each of our companies can continue to efficiently manage our business dealings and respond to correspondence in a timely manner. Please distribute this request within your company's Land and Joint Venture groups.

Thank you for your understanding and co-operation. On behalf of Canlin, we wish you and your families continued good health and safety during this challenging time.

Yours truly,
