To our Partners,

Given the global events we are currently facing with COVID-19 and the City of Calgary and Province of Alberta declaring a State of Emergency, we find ourselves planning for the reality of Canadian Natural Resources Limited ("CNRL") staff not being physically present in their offices and working remotely from home instead.

We kindly request that all Land notices (Independent Operations Notices, Land ROFRs, Offsets, Compensatory Royalties, Assignments, etc.) be sent to the following email address, in addition to your regular contact at CNRL: land.notifications@cnrl.com

All types of JV notices (Mail Ballots, AFEs, JV ROFRs, Assignments, etc.) be sent to the following email address, in addition to your regular contact at CNRL: JV.notifications@cnrl.com

Road Use items can be sent to road.use@cnrl.com, as per normal course of business.

CNRL will send out another Advisement once this method for Land and JV notices is no longer to be used.

Thank you in advance for your co-operation and we wish you and your families continued good health and safety as we work together through these unprecedented times.

Betty Yee
Vice-President Land
