

GEAR ENERGY

March 24, 2020

To Whom It May Concern

Due to the Covid-19 pandemic and the uncertainty as to our ability to physically work in the office, Gear requests that any mineral, surface and joint venture correspondence including all time sensitive notices (independent operation notices, abandonment notices, non-productivity notices, offset notices, ROFRS, compensatory royalties, mail ballots, AFEs and other similar time sensitive notices) be sent electronically to:

ychretien@gearenergy.com

We thank you for your cooperation during these uncertain times. Please forward this notification to the appropriate contact within your organization.

Yours truly,
Gear Energy Ltd.
