

Hello contacts and colleagues:

The current Covid-19 Pandemic along with the recent declarations of a State of Emergency by both the City of Calgary and the Province of Alberta has created a great deal of uncertainty for us all. In a business context, this creates uncertainty as to how long Harvest Operations Corp. can continue operations from our physical address before moving, or being forced to move, to a remote work environment.

In light of these uncertainties we ask the following:

Mineral notices and AFEs be sent to - [Land.Notices@harvestenergy.ca](mailto:Land.Notices@harvestenergy.ca)  
(Time sensitive mineral and contractual notifications such as Independent Operations Notices, Abandonment Notices, Non-Productivity Notices, Offset Notices, AFEs)

Surface notices be sent to - [Surface.Land@harvestenergy.ca](mailto:Surface.Land@harvestenergy.ca)  
(All surface related notices and requests)

Third Party Notifications and Requests be sent to - [Third.Parties@harvestenergy.ca](mailto:Third.Parties@harvestenergy.ca)  
(Regulatory notifications such as Directive 56, all road use and third party consent requests and notifications)

We ask for this accommodation so that each of our companies can continue to efficiently manage our business dealings and respond to correspondence in a timely manner. Please distribute this request within your land group as you feel necessary.

Should your company wish for Harvest to provide time sensitive materials digitally, please advise your contact(s) at Harvest and we will be happy to accommodate.

Thank you for your understanding and co-operation. We wish you and your families continued good health and safety during this challenging time.
