March 18, 2020

To our Industry Partners,

Given the events we are currently facing in Canada and worldwide, including the COVID-19 Pandemic and the City of Calgary declaring a State of Emergency, we find ourselves planning for the situation that we are not able to physically be present in our offices or collect mail. Mancal Energy Inc. ("Mancal") currently has employees and contractors working remotely from home and will be doing so for the foreseeable future.

As such, we kindly request that all types of Mineral Land and JV notices (Independent Operations Notices, ROFRs, Offsets, Compensatory Royalties, Assignments, Mail Ballots, etc.) be sent to the following email address, in addition to your regular contact at Mancal:

[mei-info@mancal.com](mailto:mei-info@mancal.com)

Otherwise, notices or other matters related to Surface or Third-Party Requests should be sent to [surface.department@mancal.com](mailto:surface.department@mancal.com).

Thank you in advance for your co-operation as we work together through these unprecedented times.

Jordan P. Murray  
Vice-President, Land
