

**March 23, 2020**

Along with much of industry, the Covid-19 Pandemic and States of Emergency declared by the city, and province, has led NAL to encourage our employees work from home until further notice.

In an effort to streamline processes and ensure that time sensitive documents are received and addressed in a timely manner, a common Mineral Land e-mail, [MineralLand@nal.ca](mailto:MineralLand@nal.ca), has been set up.

We ask that all time sensitive notices, including: Independent Operations Notices, Abandonment Notices, Non-Productivity Notices, Offset Notices, AFEs, and other similar time sensitive notices, be sent **via email** to your usual contact at NAL, **as well as** to our Mineral Land Inbox, [MineralLand@nal.ca](mailto:MineralLand@nal.ca)

This measure will ensure that should office closures be mandated or an individual takes ill, that documents will be received by the land group.

Thank you for your understanding and cooperation as we all walk through and set a new standard of how we do business together.
