Notice to Our Colleagues:

The current Covid-19 Pandemic along with the recent declarations of a State of Emergency by both the City of Calgary and the Province of Alberta has created a great deal of uncertainty for us all. In a business context, this has resulted in most of Pine Cliff Energy Ltd.'s staff working from a remote work environment.

In light of these uncertainties we ask the following:

Mineral and Contract notices and AFEs be sent to – mineralland@pinecliffenergy.com
(Time sensitive mineral and contractual notifications such as Independent Operations Notices, Abandonment Notices, Non-Productivity Notices, Offset Notices, AFEs)

Surface notices and request and Third Party Notifications be sent to – thirdpartyrequests@pinecliffenergy.com
(All surface related notices and requests, Regulatory notifications such as Directive 56, all road use and third party consent requests and notifications)

Joint Venture and Unit Agreement notices be sent to – jv@pinecliffenergy.com

Joint Venture Accounting matters - jvaccounting@pinecliffenergy.com

Invoices and all Accounts Payable and Receivable matters be sent to – pinecliffap@pinecliffenergy.com

We ask for this accommodation so that we can continue to efficiently manage our business and respond to correspondence in a timely manner. Please distribute this request within your company as you feel necessary.

Should your company wish for Pine Cliff to provide time sensitive materials digitally, please advise your contact(s) at Pine Cliff and we will be happy to accommodate.

We thank you for your understanding and hope that you and your families stay safe and healthy in this challenging time.
