March 19, 2020

To our Industry Partners:

As a result of the current COVID-19 Pandemic and the State of Emergency declarations by the City of Calgary and the Province of Alberta, Sinopec Canada employees are now working remotely from home.

In order to mitigate any risks and to enable Sinopec to respond in a timely manner, please forward all correspondence including all time-sensitive notices and responses regarding Right of First Refusals, Abandonment Notices, Independent Operations Notices, Offset Notices, AFEs, Non-Productivity Notices, Notice of Assignments, Change of Operators, Surrender Notices, Continuation correspondence and all Tenure related notices and communication via e-mail to your regular contact at Sinopec as well as to the following e-mail address:

LandNotices@sinopeccanada.com

Kindly forward this request to others who may require it in your Land Department.

We thank you in advance for your understanding and wish you, your families and friends the very best during this challenging time.

Sincerely,

Cheryl Hodson

Supervisor, Land Administration

Sinopec Daylight Energy Ltd.
