

2100, 635 – 8th Avenue SW Calgary, AB T2P 3M3

Hello,

I hope that you and your families and co-workers are all doing well and staying safe and healthy. As with many of you we at Surge have transitioned to a work-from-home protocol in light of the Covid-19 Pandemic and subsequent health recommendations to adopt social distancing. We will continue to work hard to ensure that we administer our agreements with your company in a timely manner, to assist with this we'd like to request that any incoming notices be sent electronically for the time-being. This would include AFEs, Operations Notices, Mail Ballots, lease continuation recommendations and any other similar correspondence. Please send any of these to [landissues@surgeenergy.ca](mailto:landissues@surgeenergy.ca), feel free to also email to your regular contacts but we ask that you include this email address when sending any time sensitive notices.

We appreciate your assistance with this in these unprecedented times and will be happy to email our notices to you likewise if you reply with a preferred email address. Please distribute this request within your land group as you feel necessary.

Thank you,

Brittany Bennett, CPLCA | Supervisor, Land Administration | Surge Energy Inc.
