

March 27, 2020

Dear Business Associates,

Given the current COVID-19 Pandemic and the State of Emergency declared by the Province of Alberta and the City of Calgary, TimberRock's priority is to keep staff and their families safe while maintaining the safe operations of the Company. TimberRock has therefore adapted a work environment whereby employees continue to work remotely from their home during this time, which has become the norm in our industry.

For time sensitive requests, inquiries and correspondence, please contact the below as required:
