NOTICE TO OUR INDUSTRY COLLEAGUES

The current COVID-19 Pandemic along with the recent declarations of the State of Emergency by both the City of Calgary and the Province of Alberta has created a great deal of uncertainty for us all.

In light of these unprecedented times, we request that all time sensitive notices be forwarded **via email to your usual contact** at Westbrick Energy Ltd., **as well** as to our common inbox at info@westbrick.ca including:

Mineral/Contract:

- Independent Operations Notices;
- Abandonment Notices;
- Non-Productivity Notices;
- Offset Notices;
- AFE's;
- Expiry Notifications;
- Continuation Notifications;
- and any other similar time sensitive notices.

Surface:

- All Related Surface Notices & Requests.

Third Party Notifications:

- Regulatory;
- Road Use;
- and Third Party Consent Requests.

This change in protocol ensures that in the event our offices are abruptly locked down due to a decision made by our Management Team, Building Manager or the City of Calgary that we can still respond to notices in a timely manner.

We at Westbrick thank you for your assistance and understanding and sincerely wish you and your family good health and safety during these challenging times.
