Hello,

We at West Lake sincerely hope that you're all staying safe and healthy during these most difficult and uncertain times. In an effort to adhere to the current social distancing mandate to control the spread of Covid-19, West Lake has initiated a work-from-home protocol that we will be adhering to for the foreseeable future.

To ensure that all time sensitive mineral land & JV communications are received and addressed in a timely manner we would like to request that the following types of documentation be sent electronically to your usual West Lake contact as well as to [landadmin@westlakeenergy.ca](mailto:landadmin@westlakeenergy.ca), until further notice:

- ROFRs
- IONs
- Abandonment Notices
- AFEs
- NOAs
- Surrender, Offset and all other Lease Tenure related notices and communications
- Mail Ballots

Similarly, please address notices or other communications pertaining to Surface Land or Third Party Requests to [surfaceland@westlakeenergy.ca](mailto:surfaceland@westlakeenergy.ca).

Your cooperation in this matter is greatly appreciated during these unprecedented times.

Yours very truly,

West Lake Energy Corp.
