

To our valued contacts and business partners

Given the state of the Global Covid-19 Pandemic declared by the WHO on March 11, 2020 and the declaration of a State of Emergency by the City of Calgary soon thereafter, Coastal Resources Limited staff are currently only working Tuesdays and Wednesdays in the office . However as the situation evolves and is constantly changing, we are uncertain how long we will be able to continue to work in the office and may be transitioned to work from home.

In light of these unprecedented times, we ask that all time sensitive notices, including , Independent Operations Notices, Abandonment Notices, Non-Productivity Notices, Offset Notices, AFEs, and other similar time sensitive notices, be sent **via email** to your usual contact at Coastal Resources Limited, **as well as** a common Inbox: land.notices@coastal.ab.ca to ensure a timely response.

Please forward this amongst your colleagues in your company .

We thank you for your assistance and understanding during this period of uncertainty and sincerely wish you all the best in health.
